# Red Letter Clearing Sale

No doubt thousands of you remember—and with pleasure and sat-isfaction—our great and wonderful Red Letter Clearing Sale of a year ago to-day and you will of course remember what a grand and phenomenal sale it was. Well, this sale is one that will outdo our previous efforts and attract the attention of every economical and cautious buyer in the city. And, for why?

### WE'RE BOUND TO CLEAR OUR

of the major portion of our goods. Don't you know that our spring goods are pouring in rapidly, case after case being hourly dumped at our delivery doors, besides which we have in contemplation alterations in various parts of our store, and before the carpenters, painters, calciminers and other workers take possession of the portions we intend altering we have heaps of goods to dispose of.

Be it a Suit, an Overcoat, a Pair of Pants, any kind of Furnishnishing Goods or Footwear You May Want,

you cannot lay your hands on an article or garment but what is a bargain. You can positively buy goods for less money than other dealers in this city paid for them. Comparisons are absolutely impossible. The frantic attempts of the little fellows to duplicate our bargains cause us and our thousands of patrons no end of amusement. It would be just as easy to dam up the Ohio river with a sugar loaf.

The Goods We Offer and the Bargains We Give Are Nourishing to Domestic Economy, and Will Put Two-Fold

... Sunshine in Many a Home. ...

Now's the time to buy either for present or future want, so don't hesitate, but come right in and choose what you like. If you only come to look you're as welcome as though you came to buy. Don't confound this Bona Fide sale with the bogus ones just now so freely advertised all over the town. You know us of old, and are fully aware that we value our business name too highly to lend ourselves to any "fake" business. When you come you'll find our reduced prices marked plainly in red, while the original figures remain in black. Remember.

In Every Department We've Made Great Reductions.

Pruning Appropriations for Charitable

A One-Mill Tax for the Maintenance of Veterans and

Their Dependents

Chairman Andrews refuses to rest under the imputation that he appropriated \$45,000 which he was to use to secure legislative votes. He demands that the charge, or rumor, rather, be investigated, and a committee has been appointed for that purpose.

It is a foregone conclusion that Mr. Andrews will be acquitted. PROM A STAPP CORRESPONDENT.

HARRISBURG, February 27 .- Chairman Andrews, of the Republican State Committee, took Taurus by the horns this morning by requesting an investigation. Mr. Brown, of Lawrence, had his resolution, as published in THE DISPATCH, all ready to unload on the House yesterday, according to programme, but, owing to the fact that original resolutions were not in order, and that Representative Brooks, of Philadelphia, objected, he did not get unanimous consent for it. He was ready to do business again this morning, but Mr. Andrews got in ahead of him.

DEMANDED AN INVESTIGATION. Mr. Andrews bore a copy of THE DISread the account of the rumors in circulation, and then presented a resolution asking for the appointment of a committee to investigate the matter. The request was unanimously granted, and the House laughed heartily as the State Chairman read the statement of the rumor that he had been entrusted with \$60,000, but only dished out \$15,000. The House thought it rather

funny.

The Speaker appointed on the committee
Messrs. Billingsley, Brooks, Taggart, Helfrich, Fruit, Skinner and Smiley, and they met this afternoon and got ready to do business to morrow. The investigation will result in a report vindicating Chairman Andrews. As in the case of the bank bill allers to the same of the bank bill allers to the same of the bank bill allers to t legations of last session, there are only ru-mors in circulation, and these can be traced to no responsible source.

AN EMPHATIC DENIAL. Chairman Andrews emphatically denies the truth of the stories, as already stated in THE DISPATCH, and says he courts the fullest scrutiny. Under the circumstances all that the committee can do is to report that it is unable to find anything against Mr. Andrews. This is undoubtedly what the committe will do, with possibly a little censure mixed in for the benefit of the correspondents who said such rumors were in the air. The committee will issue a general invitation to members or the House to step up and tell anything they know about the matter. It may be mentioned, merely as a guarantee of good faith, that no one will be hurt in the rush.

A gentleman said to-day in the House of Representatives that Quay's private secre-tary, Frank Willing Leach, had brought instructions with him when here from Washington to have the dressed beef bill

Chairman Henry Hall said, when questioned, that he hadn't heard of it before. "I talked with Leach when he was here," he said, "and he didn't say a word about the beef bill. It's all clap-trap and poppy-

[FROM A STAFF CORRESPONDENT.] HARRISBURG, February 27 .- Next week the major part of the report of the Manual Training Commission will have been printed and will be laid before the Legislature.
